

# Survive Your Kitchen Renovation in Comfort: The Kitchen Rescue Pod Guide

## Without a Pod

Reliance on expensive takeaways for most meals.

Washing dishes in the bath or bathroom sink.

No access to a washing machine, leading to laundrette trips.

Dust and mess spreading throughout your living space.

A general feeling of "living on a campsite" in your own home.

## With a Kitchen Rescue Pod

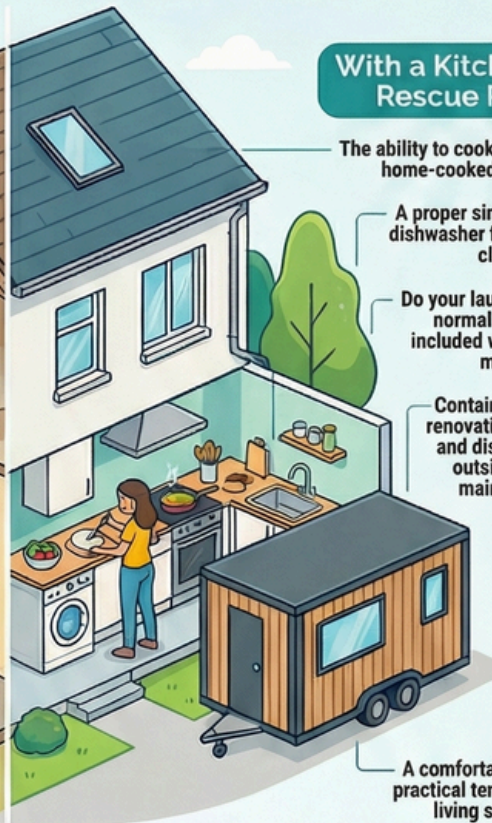

The ability to cook proper, home-cooked meals.

A proper sink and a dishwasher for easy clean-up.

Do your laundry as normal with an included washing machine.

Containing the renovation dust and disruption outside your main home.

A comfortable and practical temporary living solution.

## How It Works: A Simple 5-Step Process

**1. Confirm Dates:**  
Your kitchen installer confirms the renovation timeline.

**2. We Deliver:**  
The pod is delivered directly to your driveway. It's similar in size to a small caravan.

**3. We Connect:**  
We handle all connections for power, water, and waste. No special plumbing or electrics are needed from you.

**4. You Use It:**  
You have a fully functioning kitchen for the duration of your renovation.

**5. We Collect:**  
Once your new kitchen is complete, we come and take the pod away.

## Key Information

**Cost:**  
Pods start from £499 + VAT per week, depending on location and hire length.

**Service Area:**  
We serve Hertfordshire, Essex, Cambridgeshire, and North London. Enquire if you are just outside these areas.
